

LASER PROCESS LTD QUALITY MANAGEMENT SYSTEM	SECTION PAGE NO DATE OF ISSUE	POL 1 OF 1 01/01/18
TITLE OF SECTION QUALITY POLICY	REVIEW DATE:	01/01/19

1. Laser Process Ltd is committed to provide products and services which meet the customer' requirements through effective implementation of its Quality Management System.
2. The Managing Director of Laser Process Ltd is committed to the development, implementation, and continual improvement of the Quality Management System.
3. Laser Process Ltd commit to satisfy all applicable requirements outlined in ISO 9001:2015 in addition to any customer, statutory, and regulatory requirements.
4. A risk based approach is utilised when establishing and reviewing the quality objectives. Objectives are based upon 'top priority' business activities and when combined with the strategic direction of the business, help create objectives appropriate to the purpose and context of the organisation and that support its strategic direction.
5. The quality policy is communicated throughout the company to ensure that all employees of Laser Process Ltd are aware of the values of this policy statement.
6. The quality policy is reviewed for continuing suitability during the management review alongside a review of the Context of the Organisation, Interested Parties, and Quality Objectives.
